June 2, 12 Angry Jurors

7:30–9:30 pm | Suze's PCA Theater, Prescott

A 16-year-old man has just stood trial for the fatal stabbing of his father. "He doesn't stand a chance," mutters the guard as the 12 jurors are taken into the bleak jury room. It looks like an open-and-shut case—until one of the jurors begins opening the others' eyes to the facts. "This is a remarkable thing about democracy," says the foreign-born juror, "that we are notified by mail to come down to this place—and decide on the guilt or innocence of a person; of a man or woman we have not known before. We have nothing to gain or lose by our verdict. We should not make it a personal thing." But personal it is, with each juror revealing his or her own character as the various testimonies are re-examined, the murder is re-enacted, and a new murder threat is born before their eyes! June 7, Harvey Girls

6 pm | Western heritage Center, Prescott

WHG (Winslow Harvey Girls) have been in existence since 1995. The reason for this all-volunteer organization is to keep the history of Fred Harvey and the Harvey Girls alive. Their presentations give a short history of Fred Harvey who created the first restaurant chain (Harvey Houses) in the United States (even while part of the country was still territorial.), Cyrus K. Holliday who established Atchison, Topeka & Santa Fe Railway, and the world-famous Harvey Girls. One volunteer in this group was an actual Harvey Girl. The Fred Harvey Company and its employees, including the famous waitresses who came to be known as Harvey Girls, successfully brought new higher standards of both civility and dining to a region widely regarded in the era as "the Wild West." June 10, From New Orleans to Chicago

7 pm | Elks Theater: Performing Arts Center, Prescott

A Jazz Journey at The Elks! New Orleans and Chicago have always been unique cities! They are complex and mysterious, so it makes sense that that jazz, should follow the same tune. The "Chicago style" of jazz originated in southern musicians moving North after 1917, bringing with them the New Orleans "Dixieland" or sometimes called "hot jazz" styles. Many believe Jazz is a product of the special cultural environment found in New Orleans in the late 19th and early 20th centuries. Traces of French and Spanish roots, along with the resilience of African influences and the flavor of European immigration mixed and mingled together to produce America's most distinctive musical style. Don't miss this amazing event! More info at www.prescottelkstheatre.org
