They may be out to eat the living, but these walking dead are rampant with wit and sarcasm— certainly a breed above your garden-variety undead. Based on the cult classic film by George A. Romero, this zombie-thon is a delightfully skewed send-up of one of the most beloved science fiction genres of all time. This fast-paced comedy is packed with contagious humor— you'll laugh yourself to death over these horrifically and hysterically misunderstood flesh-eating monsters. Dedicated to the zombie in all of us. More info at 928-445-3286 and www.pca-az.net
